Chennai, India · Open to relocation (Bangalore, Hyderabad, Gurgaon)

PROFILE

Business and research analyst with 3 years across market research, process automation and operations at Stellantis, KLA and Bible Tours. I turn qualitative and quantitative data into dashboards and recommendations (Excel, SQL, Python, Power BI, Tableau), with experience in requirements analysis, process improvement and stakeholder management.

EDUCATION

2020–2024 **SRM Institute of Science and Technology** Chennai, India
B.Tech in Computer Science & Business Systems · **GPA: 8.91 / 10**
Relevant courses: Operations Research (A+), IT Project Management (A+), Service Operations Management (O), Business Analytics

PROFESSIONAL EXPERIENCE

Mar 2025–Present **Bible Tours**, travel company Chennai, India
Operations Executive – Client & Order Management
- Own disputes end to end: logging, root-cause analysis, vendor liaison, escalation and closure
- Coordinate **15+ vendor, hotel and transport partners** and track SLA metrics (KPIs) against targets
- Resolve client and partner queries by email, phone and live chat within SLAs; manage orders to delivery

Oct 2024–Mar 2025 **KLA**, global semiconductor equipment company Chennai, India
Automation & Business Process Analyst – IT Process Automation team
- Analyzed business requirements and translated them into ServiceNow and Resolve automation workflows for first-level support of system interface errors, reducing manual effort
- Built SQL and Python dashboards for data analysis of operational trends; turned the findings into process improvement recommendations that raised service efficiency and issue turnaround

Jun 2023–Jun 2024 **Stellantis**, global automotive group Chennai, India
Asset Manager – IT Infrastructure (Jan 2024–Jun 2024)
- Reduced downtime by **15% across 500+ IT assets** by owning issue tracking and resolution with cross-functional teams (Site24x7, Applications Manager, OpManager)
- Delivered 10+ performance reports a month, improving team efficiency by **30%**

Market Research Analyst (Jun 2023–Sep 2023)
- Analyzed 100+ qualitative and quantitative data points in Power BI and Excel dashboards to give leadership data-driven recommendations
- Ran competitive landscape and benchmarking analysis, presented to leadership as storyboarded decks

LEADERSHIP & EXTRACURRICULAR ACTIVITIES

2021–2024 **SRM Institute of Science and Technology**, student leadership Chennai, India
Vice President, Camogenics and Department of Computer Science & Engineering (CSE)
- Rose from Head of Administration (2021–22) to Secretary (2022–23) to **Vice President (2023–24)** of Camogenics, the university's official media partner
- Vice President, Department of CSE (2022–23); led teams running inter-college events (Monocle, Texus)

2022–2023 **Model United Nations conferences**, Photojournalist Chennai & Bangalore, India
- Won **9+ MUN awards**, including Best International Press Photojournalist at SSN University MUN (2023) and an honorable mention at Christ University MUN (2022)

2018–2019 **Sampoorna NGO**, Event Coordinator India
- Coordinated events for an NGO working to rehabilitate rural communities in India
